## UPDATED - Car Line Procedures

1. **MS** drop-off line up in **left lane** by the **Sport Court**. All other levels line up in right lane by Natural Playground fence. Mr. Connery will invite cars to pull forward as we are ready for them.
2. Students need to be curb-side with the seat belt **unbuckled**.
3. Vehicle stops at the **level-specific drop-off** location.
4. Students and parents **stay in the car** and wait for car line staff.
5. Students have a cloth face covering on **before** staff approaches the car.
6. Staff member proceeds with **temperature check**. Parents must have completed the **Daily Screening Form for each student by 8:00 a.m. every day**.
7. Upon clearance, students proceed to their designated classroom entry points.
8. Vehicle pulls away with caution, watching for **2 lanes of one-way traffic**.
9. Students greet teacher **socially-distanced greeting**.
10. Students **wash hands with soap & water** or apply hand sanitizer for 20 secs.
